

## CALL FOR WORKSHOP PROPOSALS

Kia hiwa ra! Kia hiwa ra!

Te Ōhaakii ā Hine – National Network for Ending Sexual Violence Together (TOAH-NNEST) invites proposals for presentations and workshops for the bi-annual National Sexual Violence Conference 2024.

### **About the Conference**

The conference will be held in Christchurch on the 19th and 20<sup>th</sup> of November 2024. The theme of this year's conference “Te Tāmata Tipu” is about restoring growth and vitality. Tāmata is to cultivate and work the soil and tipu is the seedling. Te Tāmata Tipu is about creating the conditions for the seedlings to grow again and prosper. There have been some challenging conditions, and it is imperative to ensure the soils are right for them to grow and thrive. *This theme was gifted to us by Dr Eruera Tarena (Ngāi Tahu, Ngāti Porou, Te Whānau-ā-Apanui).*

We are honoured to have this theme for our 2024 conference as it builds upon previous TOAH-NNEST mahi and the strength of those who have and continue to work in this sector.

The Kaupapa of the conference is to bring those working in the mahi tūkino (sexual violence) sector together to whanaungatanga (build relationships), workshop, share knowledge and be informed from specialists in this sector. TOAH-NNEST want to create an environment that enriches and encourages healing for all that have been impacted by Sexual Violence.

### **Workshop Proposal Information**

We are seeking proposals that include an understanding of Te Ao Māori and reflect the diversity of those impacted by mahi tūkino. We are looking for exciting and inspiring ideas, collaborative approaches, and responses to ending mahi tūkino, prevention, healing, justice, and community leadership among Māori and Tauīwi.

This can include proposals from kaimahi, academics, researchers, practitioners, educators, activists, and policy makers. Presenters are encouraged to engage participants through interactive and participatory formats, fostering meaningful dialogue and knowledge exchange.

This year's Conference is expected to provide a unique space of networking, learning, inspiring cultural practice, discussions, enhanced knowledge, and experience.
