## FAMILY VIOLENCE & SEXUAL VIOLENCE WORKFORCE

Nau mai, haere mai!

We He Whare Wahine, through Te Rau Ora have been commissioned by Te Pūkotahitanga to undertake the Kaimahi Māori Workforce Development Project. The aim is to gather insights that will help us understand and strengthen the ongoing efforts needed for a workforce development plan and strategy.

### Consultation Hui Dates TBC

Consultation hui provides a platform for stakeholders to articulate their needs and challenges related to FVSV workforce development. By engaging directly with practitioners, leaders, and iwi providers, we can gain insights into the specific mātauranga Māori skills, resources, and support systems required to strengthen the workforce's capacity to address family violence effectively.

### Survey

This survey is designed with a specific focus on Kaimahi Māori workforce development, seeking to gain valuable insights into your experiences, challenges, and aspirations within the FVSV sector. By sharing your perspectives, you contribute to the enhancement of support structures and the fostering of a more resilient and empowered workforce.
